## **KEMPSVILLE MEADOWS ELEMENTARY SCHOOL**

Our school, which first opened in 1959, enjoys a rich tradition in the city of Virginia Beach. The students, teachers and parents work together to make Kempsville Meadows an outstanding educational facility where children grow and prosper academically and socially. (Yes, that's snow not sand!)

Our principal, Wayne Smith, is shown with two first grade students, Billy Spence and Carin Copelli (and they're not even in trouble!)

Mrs. Barbara Tourgee, our assistant principal, is hard at work in her cubby. She is probably devising some new bus route through Salem Woods!

## STAFF

Mrs. Roni Birdsong and Mrs. Winnie Roughton make up the office staff. Even after registering a dozen new students, giving out lunch money and answering the phone, they can still smile.

Mrs. Earlene Caffee, our general aide, is a valuable and versatile employee. If you need to know anything about the school, ask Earlene. Her job takes her into all grade levels and programs.

Hey nurse, I'm worse! Mrs. Marie Bryant, our school nurse, checks medical records, screens students and administers medication. Here she is shown taking Kara Simmons's temperature.

# STAFF

Mrs. Patricia Rodgers, cross categorical teacher, and Mrs. Claudia Vroman, speech pathologist, provide valuable services to our school.

Mrs. Hannah Bowles serves our school as the reading resource teacher. She is pictured here with Brian Toolson, a sixth grade student.

The library staff is made up of Mrs. Kathryn Zurek and Mrs. Madeline Regal. If you have questions about the Dewey Decimal System, see them--not us!

## STAFF

Our physical education teachers are, from left to right, Julie Staylor, Lillian Blackstone and Nancy Howard. Run around the backstop, anybody?

This athletic snowman was found this winter on the door to the physical education office--further evidence of the creativity of our P. E. staff.

Karen Haddaway, art teacher, explains technique to two of her students.

## STAFF

Above, Jerry Cole directs the band in the school Christmas concert. At right, Doris Card is shown in her music classroom. The Kempsville Meadows School band and music groups give two concerts a year, one before the winter holidays and the other in the spring.

## STAFF

Above, the cafeteria staff is made up of Mrs. Bea Williams, Mrs. Linda King, Mrs. Becky Merrick, Mrs. Judy Tyler, Manager Pat Hutson, Mrs. Kathy Reyes and Mrs. Weezie Davis. At left are custodians Edmond Dailey and Mrs. Mary Sanderlin, both longtime employees at our school.

Kindergarten teachers and aides: left to right are Deborah Etheridge, Donzella Wells (aide), Linda Hull, Georgianne McVicker (aide), and Trenace Riggs. Not pictured is Shirley Maleski (aide).

First grade teachers: left to right are Barbara Abraham, Susan Hughes, Rosie Berry, Karen Rowell and Janice Capps.

Second grade teachers: left to right are Isabelle Wilkinson, Merice Stevenson, Sharon Arseneau, Marie Sutton, and Ann Rowe.

Third grade teachers: left to right are Jacqueline Hassell, Constance Carroll, Deborah Gowen, and Rebecca Blevins. Not pictured is Nancy Vanek.

Fourth grade teachers: left to right are Barbara Henley, Dorothy Smith, Jeanne Gahagan, Christy Pomposini and Lida Webb.

Fifth grade teachers: left to right are Nancy Fillmore, Alycia Capwell, Marianne Tarbell, Nancy Hamblin and Susan Drew.

Sixth grade teachers: left to right are Anne Falk, Joann Cox, Janet Parker, Donna Steele and Susan McCormack.

Two of Mrs. Berry's first grade students, Jimmy Ratliff and Lorna Tweed, learn to use the computer, thanks to super volunteer, Mrs. Annie Wigfield.
